

Mini Hopping Heads

Information:

Mini Hopping Heads hop 60-90cm!

Instructions:

1. For best results use your Hopping Headz on a smooth flat surface such as a table.
2. Push head down to set suction cup.
3. Release your grip and watch them pop.
4. Push body with finger for an early pop.
5. Collect them all, share them with your friends and see whose Hopping Headz will pop the highest.

Warnings:

Mini Hopping Heads were designed for children ages 5 and up. This product contains small parts and is not suitable for children under 3 years old. Do not aim Mini Hopping Headz at eyes or face.
