

Q: **A:**

Robo Fish

How long do the batteries last?

Approximately 1.5 to 2hours

How do I get my Robo Fish to dive better?

See these instructions from the information icon under 'Product' from the navigation bar of the Zuru.com website.

How do I turn Robo Fish on/off?

Robo Fish has water sensors that automatically turn Robo Fish on when it is wet. To turn Robo Fish off, thoroughly dry with a soft, dry cloth.

Can the Robo Fish be placed in the same tank as live fish?

Technically yes, but we don't recommend that Robo Fish is placed with live fish.
