

# Robo Fish

## Information:

Robo Fish is your lifelike robotic pet fish.

## Instructions:

**Maximizing Diving Performance:** If Robo Fish is floating, add weights. If Robo Fish is sinking, remove weights. Remove or add singular weights to the compartment of the battery door. \*\*\*diagram available \\dczuru\ZURU\_Shared\Design\Brands\Robo\_Fish\Artwork\Packaging\Robo Fish poly bag set

**To Replace Batteries:** X2 A76 or LR44 alkaline batteries are included. Replace with 2x1.5v "A76" or LR44 size alkaline batteries. Always ask an adult to help replace batteries!

1. Use a cross head screwdriver (not included) to unscrew the screws in the battery door.
2. Remove door and the old batteries. Throw away old batteries responsibly.
3. Insert the two new alkaline batteries.
4. Replace door and screw in the screws until tight.

## Warnings:

Robo Fish was designed for children over the age of 3. This product contains small parts and is not suitable for children under 3 years of age. "A76" and LR44 batteries are classed as small parts and should be kept away from small children and children who are prone to putting things in their mouths. If batteries are swallowed, see a doctor immediately and have your doctor call your poison control center.

Always follow the instructions, inserting the batteries correctly and matching the – and + signs. Do not mix old and new batteries or carbon-zinc batteries with alkaline batteries. Remove old batteries from the product and remove the batteries if the product is not going to be played with for a length of time. Do not short circuit the supply terminals. Should this product be affected by local electrical interference, move it away from other electrical equipment. Reset if necessary by removing and reinserting the batteries. Rechargeable batteries: Do not mix these with any other types of batteries. Always remove from the product before recharging. Recharge batteries under adult supervision. Do not recharge other types of batteries. The toy is to be operated in water only when fully assembled in accordance with the instructions.
