

# Hopping Headz

## Information:

Hopping Headz hop 10 times their own height (up to 1.5 meters).

## Instructions:

1. Hold Hopping Headz between your thumb and index finger centrally on the head.
2. Using a second surface like a table, your hand, or the shoot 'em launcher to compress your Hopping Headz body.
3. Release your fingers and let them fly!
4. Display them in their case for later.
5. Collect them all, share them with your friends, and see whose Hopping Headz can hop the highest!

## Warnings:

Hopping Headz are designed for children ages 5 and up. This product contains small parts and is not suitable for children under 3 years old. Do not aim Hopping Headz at eyes or face.
